

# “VIGYANAM-2025”

DATE: 27 December, 2025

VENUE: College Campus

Bhavan's Sheth R.A. College of Science, in collaboration with the Universal Science Forum, successfully organized “VIGYANAM- 2025” on 27 December 2025 at the college campus. The annual event aimed to promote scientific thinking and innovation among students. With no participation fee, the event ensured inclusive participation, attracting over 205 students who presented scientific models, posters and participated in an elocution competition. The program was graced by **Prof. Hari Om Vats (Retd. Professor, PRL & Founder Director, SERF)** and **Dr. Vrajesh Parikh (General Manager, Science city, Ahmedabad)** as Chief Guests, who delivered inspiring addresses emphasizing the importance of scientific initiatives. The event was held under the leadership of **Principal Dr. H. M. Patel**, whose guidance and support ensured its grand success. **Dr. Bharat Makwana and Mr. Dilip Satasiya (Universal Science Forum)** effectively coordinated with sponsors and external agencies. The participation of higher secondary students and non-science background students was highly appreciated. Winners were awarded cash prizes and certificates. The college expresses gratitude to **Arvind Foundation for financial support** and acknowledges the contribution of teaching and non-teaching staff. **VIGYANAM 2025** Committee gratefully acknowledges their help and support. The event was a resounding success and the college eagerly anticipates hosting similar events in the future.
